## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of  
New Trier Educational Foundation

We have audited the accompanying financial statements of New Trier Educational Foundation (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets—cash basis as of June 30, 2018 and 2017, and the related statement of support, revenue, and expenses—cash basis for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of New Trier Educational Foundation as of June 30, 2018 and 2017, and its support, revenue, and expenses for the year then ended in accordance with the cash basis of accounting as described in Note 1.

### **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **NEW TRIER EDUCATIONAL FOUNDATION NOTES TO THE FINANCIAL STATEMENTS**

### NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Activities

The New Trier Educational Foundation provides supplemental services. The services include the grants, awards for student achievements and assistance for students in need. Additionally, sponsors social and educational functions for students and faculty.

#### Contributed Services

During the year ended June 30, 2018, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. Many individuals volunteer their time in order to coordinate and promote the various functions and projects.

#### Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts. Accordingly, actual results could differ from those estimates.

#### Subsequent Events

The Organization has evaluated subsequent events for potential recognition and/or disclosures through August 30th, the date the financial statements were available to be issued.

#### Property and Equipment

It is the Organization's policy to capitalize property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line and double declining balance methods.

## **NEW TRIER EDUCATIONAL FOUNDATION NOTES TO THE FINANCIAL STATEMENTS**

### Financial Statement Presentation

The accompanying financial statements have been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under that basis, the only assets recognized are cash, and fixed assets. No accrued expenses are recognized. Liabilities are recognized to the extent of any loans. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. The cash basis differs from generally accepted accounting principles primarily because the effects of outstanding dues and obligations for assessments unpaid at the date of the financial statements are not included in the financial statements.

### Contributions

According to current accounting principles, contributions received are recorded as either restricted or unrestricted depending on the existence or nature of any donor restrictions. The Organization has had fund raising activities.

### Income Taxes

The organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

### Investments

The Organization does not hold any investments other than cash and cash equivalents. Any donated securities are sold when they are received.

### Cash and Cash Equivalents

For purposes of the statements of cash flows, the organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

### Investments

The assets of the organization reported on the accompanying financial statements are either cash or cash equivalents. Investments would be reported at cost which is consistent with the cash basis of accounting.

**NEW TRIER EDUCATIONAL FOUNDATION  
NOTES TO THE FINANCIAL STATEMENTS**

**NOTE 2- PROGRAM SERVICES AND CONTRIBUTIONS**

The following is a schedule of services and contributions provided by the organization:

Grants	\$ 76,683
Raise the Stage Campaign	3,522
Special Education	10,069
Programs	<u>11,257</u>
Total Services and Contributions	<u>\$ 101,531</u>

**NOTE 3 - RESTRICTED FUNDS**

Restricted funds in the amount of \$3,522 were utilized during the fiscal year for the Raise the Stage Campaign and \$10,069 for the special education programs at New Trier H. S.

**NOTE 4 - NAEIR PROGRAM**

The foundation participates in the NAEIR program in order to facilitate the distribution of donated educational materials. The value of the items donated during the year ended 6/30/18 was \$67,932.

**NOTE 5 - SURPLUS FUNDS**

Surplus funds will be used for future programs, grants and student assistance programs.
