April 17, 2021

## Support Cradles to Crayons

**Cradles to Crayons** provides new and gently used clothing and necessities to children from birth to age twelve who are living in homeless or low-income situations. Hygiene kits are one of the most requested items, and due to the current public health crisis, they are even more critical to help keep kids and families safe.

Join the **New Trier Girls Club** as they put together hygiene kits for Cradles to Crayons. You can help by purchasing new hygiene items from your preferred website or local store and sending them to Girls Club. Please review the list on the right of product suggestions for the corresponding ages.

All participants must register to be counted.
